

Our clients are those who seek insights that can transform their business performance and enhance value for stakeholders. We work with small to large Businesses, Private Equity companies, Family Offices and other Strategic Consultancy firms.

Our focus area is within the Energy Sector and clients are typical involved in activities related to:

- Subsea Construction and Installation
- Inspection Repair and Maintenance (IRM)
- Offshore Support and Subsea Vessel Ownership
- Marine Services
- Offshore Wind Installations

We have already worked with some of the largest businesses in these segments and delivered projects to help enhance value.
